FD 680

#### Separate Multi-Part Forms Quickly and Easily

Three levels of performance are available to process continuous form documents. The Low-Volume Series processes at speeds of 0 to 200 feet per minute. The Medium-Volume Series processes at speeds of 15 to 350 feet per minute and is capable of handling forms up to 17" long. The High-Volume Series operates at speeds up to 500 feet per minute.

All three Series offer a wide array of options to meet individual customer needs. The Low and Medium-Volume Series can be used up to five hours per day, five days a week. The High-Volume Series is capable of continuous operation, seven days a week.

#### Specifications:

Speed:	Variable, 30 - 500 feet/minute
